

For Immediate Release

AUSTIN, TX – Scott Airport Parking is proud to announce the start of construction of the first combined airport parking and pet boarding facility located on a US Airport, owned and operated under one company. Park & Zoom (www.parkandzoom.com) will be the new 2000 stall covered parking facility on Austin-Bergstrom International Airport, opening Summer 2016. Bark & Zoom (www.barkandzoom.com) will be the pet boarding facility, also opening Summer 2016, managed by Taurus Academy, an Austin “home grown” company with over 20 years in the pet care and training industry with 5 Austin locations. “Scott Airport Parking brings a welcome new service to AUS---pet boarding---in addition to more parking spaces,” said Jim Smith, Executive Director, Austin-Bergstrom International Airport. “We are pleased to be in a partnership to help bring these new amenities to our travelers.”

The convenience of covered airport parking and pet boarding services under one roof means time and savings for ABIA travelers who are also pet parents. Both parking and pet boarding discount rates will be offered to customers of Park & Zoom and Bark & Zoom. And Bark & Zoom offers a complimentary upgrade to Valet covered parking by Park & Zoom with the boarding of your pet. The convenience of “One Stop” to drop off your pet and park your car at the same on-airport location will save customers time and money while leaving for and returning from a trip. Both facilities will be open 24/7 to accommodate customer flight times and schedules. Travelers will have more flexibility in their pick-up and delivery times, which could lead to additional savings on pet boarding costs and airline ticket purchases. Bark & Zoom services are also attractive and available to those traveling out of town by car.

Bark & Zoom is conveniently located on 5 acres on the North side of Hwy 71 at Presidential Blvd. Travelers’ pets will enjoy the unique pet boarding and optional training services offered by Taurus Academy, including outdoor play yards, a pet pool, and dog and cat grooming in this newly designed state-of-the-art pet resort. Optional training services are offered during their stay by Taurus Academy. All services are competitively priced and commensurate with Taurus Academy's existing rates.
